

Media statement

Friday 21 August 2020

The chairman of St Basil's Homes for the Aged, Mr Kon Kontis, today confirmed that a class action writ has been filed against St Basil's, although a copy has not currently been served on it.

Mr Kontis said St Basil's would strenuously defend the claims.

"We are devastated by what has happened within our community," he said.

"We have always prioritised the well-being of our residents and will continue to do so."

"Thank you for understanding that we will be making no further statement due to the impending legal proceedings."
